Ready for cooperation?

Building on the huge success in the last years of the „Häuslbauer“ trade fair which deals with all topics relating to house building, this year an accompanying cooperation event will be organised. This event will provide a unique opportunity to meet companies in the field of energy efficient construction from Austria and its neighbouring countries.

EEC 2012 COOPERATION EVENT – ENERGY EFFICIENT CONSTRUCTION

Your advantages:

- You can meet numerous potential co-operation partners in just one afternoon – save time and money looking for the right partner.
.....
- You can conduct targeted meetings. The idea is that you present your innovative project idea, technology or expertise online in advance of the event and then request meetings with partners of interest.
.....
- The Enterprise Europe Network team, themselves experts in international technology transfer, will provide support at the event.

You simply need to register, present yourself, your company and your technology online and select partners of interest to you in advance of the event.

Register now at: <http://www.b2match.eu/eec2012>

The cooperation event will take place in line with the trade fair „Häuslbauermesse Graz“ – the biggest construction trade fair in the south of Austria.

2 February 2012, 1pm – 5pm at Messecongress Graz,
Messeplatz 1,8010 Graz, Austria at the fair
